

** Online registration is now available through 7:30 pm on Saturday Oct 24th for the Gator Grid Iron at the Cranford Pool on Sunday December 6th.

**This is an invitational meet and all Gator swimmers are welcome to swim.

**There are NO minimum qualifying times. The only requirement is the swimmer must have a time as NJ swimming does not allow NT as an entry time.

**The registration form can be found by going to: www.jerseygatorsparents.com -> forms & registrations -> grid iron meet registration

****TO AVOID ANY ERRORS be sure to include race #, distance and stroke (#23 100IM)**

**There is an entry fee of \$3 per event. Your swimmer may swim up to 3 events. If you sign up your swimmer to swim you are responsible for the entry fees whether they swim or not.

**If you do not have an escrow account set up entry fees are due to the Chris P. or meet entry folder by Monday 10/26 to avoid a \$20 late fee. Checks should be made payable to "Cranford Jersey Gators"

****NEW SWIMMERS** It is understood that you don't have times for events to date. When signing up, please choose events that you plan on swimming at the dual meets on 10/24(events are listed on the calendar), 10/31(certain SR 3/4 swimmers only), 11/8 (info will be posted once received), 11/14 (events are listed on the calendar) , 11/21 (events coming soon) as a NT (no time) can't be used to enter the meet. Swimmers will be removed from events with no times on 11/24. Entry fees will be refunded if the cause of the NT is a DQ (disqualification) at the dual meets BUT entry fees will not be refunded if the swimmer fails to sign up to swim the events in the dual meets. Do not choose events that are not offered at dual meets.

**If you do not get your entries in by 7:30pm Sat 10/24, there are no guarantees that your swimmer will be able to swim in the meet (parents will still be required to work their sessions). Each session has a swimmer limit AND time limit imposed by the pool that Tara has to adhere to. Entries are entered on a first come basis until the session fills. Other teams will be receiving meet information on 10/25. As a reminder popular meets fill quickly and this is a popular meet.

**Warm-up and start times for session 2 and 3 are approximate and can be an hour or so earlier or later. Exact times will be available Wed 12/2

** A current meet eligibility is on the calendar. This shows what events your swimmer has times in.

**An event list is on the calendar. Events are limited to the ones listed for your swimmers age group.

**Swimmers age for this meet is calculated as of 12/6/15

** Any questions regarding meet entries, entry fees or invoices **ONLY** contract Chris at entries@jerseygatorsparents.com, for **ALL** other questions contract Michelle at jerseygators@jerseygatorsparents.com
