

** The next dual meet of the season will be vs Riptide on Saturday 1/21.

11/over swimmers will be swimming @ cranford in the morning (approx. arrival time 7:45am)

10/under swimmers will be swimming in the afternoon @ riptide (520 Hoes Lane, Piscataway) (approx arrival time 12:30pm).

** ALL swimmers are welcome.

** 11/over swimmers check-in no later than approx 7:45am . (actual time will be sent by Thurs evening 1/19)

10/under swimmers check-in no later than approx. 12:30pm (actual time will be sent by Thurs evening 1/19)

**There is a lot of pre meet work that needs to be accomplished between when swimmers arrive and when the meet starts therefore a strict timeline is followed to ensure all swimmers get a chance to swim their events before the meet must end at noon.

**Suggestion when signing up for home dual/time trial meets:

- Choose events swimmers don't have times in
- Choose events swimmers have times that are old
- Swimmers are encouraged to talk with their coaches for recommendations on events prior to signing up.
- Choosing different events each dual meet/time trial will give swimmers an opportunity to achieve times in multiple events, which will allow them more choices when signing up for invitational meets and championships. Times for championship meets "expire" and need to be achieved on or after 1/1/22

**Events are limited to the ones listed for your swimmers age group

**swimmers may sign up for a maximum of 3 events. Please list events in preferential order (1st choice – 2nd choice – 3rd choice) in case there is a 2 event per swimmer max due to time restrictions.

** To avoid errors and confusion, please make sure events are in the correct format on the entry form. It may seem petty for a dual meet but it could make a huge difference on an invitational meet when there are many events offered for each age group. We are not responsible for any entry errors or omissions if the correct format isn't used.
