

** The last dual meet of the season will be at home vs CJAC on Saturday 1/31

** ALL swimmers 14/under are welcome.

** The Cranford Y will start allowing swimmer to enter the building starting at 8:45am. Warmups will begin at 9am.

**There is a lot of pre meet work that needs to be accomplished between when swimmers arrive and when the meet starts therefore a strict timeline is followed to ensure all swimmers get a chance to swim their events before the meet must end at noon.

**Suggestion when signing up for home dual/time trial meets:

Choose events swimmers don't have times in

Choose events swimmers have times that are old – a friendly reminder for championship meets: times need to be achieved on or after 1/1/2025. Times achieved on or before 12/24/2024 can NOT be used to enter a championship meet. See top times report for when your swimmers' times were achieved.

**Events are limited to the ones listed for your swimmers age group

**swimmers may sign up for a maximum of 3 events.

Please list events in preferential order (1st choice – 2nd choice – 3rd choice) in case there is a 2 event per swimmer max due to time restrictions.

** To avoid errors and confusion, please make sure events are in the correct format on the entry form. It may seem petty for a dual meet but it could make a huge difference on an invitational meet when there are many events offered for each age group.

We are not responsible for any entry errors or omissions if the correct format isn't used.

Correct format - #10 100 free

Incorrect formats include - #10

#10 free
