

** The first time trial of the season will be at home on Sat 9/20

** ALL NEW swimmers welcome.

** ALL 12/under swimmers welcome (Please choose events with no times or very old times)

** Due to time restrictions, preference will go to swimmers with no times

** check-in 7:45am with the coaches

**There is a lot of pre meet work that needs to be accomplished between when swimmers arrive and when the meet starts therefore a strict timeline is followed to ensure all swimmers get a chance to swim their events before the meet must end at noon.

**Events are limited to the ones listed for your swimmers age group

**swimmers may sign up for a maximum of 3 events.

Please list events in preferential order (1st choice – 2nd choice -3rd choice) in case swimmers are limited on events.

** To avoid errors and confusion, please make sure events are in the correct format on the entry form. It may seem petty for a time trial but it could make a huge difference on an invitational meet when there are many events offered for each age group.

We are not responsible for any entry errors or omissions if the correct format isn't used.

Incorrect formats include - #10 #10 free 100 free free 1 free
