

** The first time trial of the season will be at home on Sat 9/26

Check in with Coaches: 8:15am

Warmups: 8:30am

Meet start: 9am

** ALL swimmers welcome.

** Event selection for time trials is the opposite of dual meets and invitational meets. This is the meet you want to sign up your swimmers for events with no times or old times.

** Please only choose events with no times or very old times (2025 and older).

** Swimmers who choose events with current times will NOT be entered into those events.

** 500 free and 400IM events are limited to senior group swimmers with prior coach approval

** Due to time restrictions, preference will go to swimmers with no times

** There is a lot of pre meet work that needs to be accomplished between when swimmers arrive and when the meet starts therefore a strict timeline is followed to ensure all swimmers get a chance to swim their events before the meet must end at noon.

** Events are limited to the ones listed for your swimmers age group

** swimmers may sign up for a maximum of 3 events.

Please list events in preferential order (1st choice – 2nd choice -3rd choice) in case swimmers are limited on events.

** To avoid errors and confusion, please make sure events are in the correct format on the entry form. It may seem petty for a time trial but it could make a huge difference on an invitational meet when there are many events offered for each age group.

We are not responsible for any entry errors or omissions if the correct format isn't used.

Correct format - #10 100 free

Incorrect formats include - #10 #10 free 100 free free 1 free

** swimmers age for the time trial is as of 9/26/26

** Any questions related to meet entries ONLY contact Chris at entries@jerseygatorsparents.com or 908-337-5097.

** For ALL other questions, contact the parents association at jerseygators@jerseygatorsparents.com.

** If you need to scratch from the meet email The Parents Association at

jerseygators@jerseygatorsparents.com

** A signup genius will be posted to sign up to volunteer for the meet. All parents assistance will be needed. Any open slots will be assigned.
